What You Need to Know:

Kylee Eller, Owner of Westwind Farm and Fiber will be the coordinator for your party. Any special requests will need to be approved by me and are considered anything not in this agreement.

The behavior of the children participating in the party is the responsibility of the host/hostess. Parents/Adults at the party are responsible for the supervision of the children while they are on our farm, using our play equipment, and visiting with our animals. Parents are not allowed to drop off their children for a birthday party at our farm. They need to stay and help supervise their children.

Your family can arrive 30 minutes early to set up your food and bring any party gifts. You have 15 minutes of your party ending to load up your gifts, extra food/beverages. Kylee Eller and the Westwind Farm and Fiber staff will assist with setup and cleanup, if you would like the help. You are welcome to drive your vehicle back to our barn to unload/load. We also understand that if you have guests with mobility issues please feel free to drive them to the barn where the party will be held. We are not handicapped/special needs assessable, but we are handicapped/special needs friendly and want to provide our guests with the best possible experience.

You will pay for your party in two installments: 50% down to hold your party date which is \$200 and is due with your signed contract. This is a non-refundable payment. You can make this payment on my website www.westwindfarmandfiber.com. A \$200 will be due one week before your party. Failure to pay your final payment fee will result in the party being canceled.

Thank you for choosing Westwind Farm and Fiber for your child's party!
